NOTE TO PARENTS: This book is intended for older children, teens and adults. For younger children, please search Amazon for The Brick Bible for Kids series of picture books. "The Good Book" meets "The Brick" Brendan Powell Smith has spent the last decade creating nearly 5,000 scenes from the bible--with Legos. His wonderfully original sets are featured on his website thebricktestament.com, but for the first time 1,400 photographs of these creative designs--depicting the Old Testament from Earth's creation to the Books of Kings--are brought together in book format. The Holy Bible is complex; sometimes dark, and other times joyous, and Smith's masterful work is a far cry from what a small child might build. The beauty of The Brick Bible is that everyone, from the devout to nonbelievers, will find something breathtaking, fascinating, or entertaining within this collection. Smith's subtle touch brings out the nuances of each scene and makes you reconsider the way you look at Legos--it's something that needs to be seen to be believed. 1,400 full-color photographs (This product is not sponsored, authorized, or endorsed by the LEGO company.)
