"I could not stop reading! This read is brilliant. If you are a current fan of J. R. Ward and have read The Brotherhood Series, then these books are for you. Great Suspense, Drama and sex all rolled into a package that I T Lucas writes seamlessly... I am waiting for the next installment impatiently just as I do for the Brotherhood Series." "I love this series!!! From the beginning to this point I have waited excitedly for each new addition! I particularly enjoyed this book because it brought all the previous story lines together in a way the anticipation would not let me stop reading until I had completed this addition to the series! I am excited for the next release and can't wait but I guess I have no choice in the waiting part! Awesome series and very well written! I have recommended it to my friends and family as a must read so they can have the opportunity to enjoy this series as much as I have!" "This series just keep getting better and better with every book released. I love how the story seems to flow with the changing characters but still keeps previous characters in the loop and involved." On board the Anna, Amanda suspects that something fishy is going on. But when her investigation of the peculiar all-female Russian crew fails to uncover anything other than more speculation, she decides it's time to stop playing detective and face her real problema man she shouldn't want but can't live without. Will Amanda find a way to reconcile her feelings for Dalhu? Will Dalhu find a way to redeem himself in Amanda's eyes? Will Andrew find Bhatian's long-lost lover and child? Amanda and Dalhu's story culminates in Dark Enemy Redeemed, and the characters embark on a new adventure in Book 7: Dark Warrior Mine
