Oran's Dictionary of the Law, Fourth Edition, is the easiest to use introduction to legal terminology and concepts on the market. It contains clear definitions of the words that most paralegals, paralegal students, and persons in related fields need to know. The book precisely explains contracts, laws, court decisions, and lawyers. This new fourth edition includes a CD-ROM that contains all terms and definitions in the book and over a thousand new and revised definitions. It also includes an updated section on computerized legal research and overhauled sections on bankruptcy, intellectual property, litigation support, national security and other rapidly changing subject areas. Oran's Dictionary of the Law will leave the student equipped with a precise, technical, legal vocabulary. This book also works as an important reference for consumers and businesspersons to confidently read a contract, interpret a law, or talk to a lawyer.
