Mike Mueller tells the complete history of these light trucks in an engaging text filled with facts, legends, and lore. Over 100 color and 100 historical black and white images complement the text. This book makes a wonderful addition to any vehicle enthusiast's library, and the useful and exciting information throughout will charm any lover of American history or Americana. Few vehicles are more American than the pickup truck. It takes its rightful place among other popular modes of transportation such as the muscle car and the convertible. America created the pickup, and the convertible. America created the pickup, and vice-versa. A true workingman's friend, pickups have helped to make this country all that it is. This fascinating book will carry you down the well worn paths of pickup history.
