Crafted with all the skills that have made his previous books bestsellers, The Book of Secrets will be essential reading for Deepak Chopra's huge number of followers worldwide, and also appeal to everyone searching for the meaning of life, and looking for answers to the questions: Who Am I? Where Did I Come From? and Why Am I Here? Each of the fifteen chapters discusses a 'secret' - such as: The World Is In You; Transformation Is Not The Same As Change; Death Is Conquered By Dying Every Day; Everything Is Pure Essence. Chopra believes that 'Every life is a book of secrets ready to be opened', and that the only way to discover the answers to these secrets is to delve inside yourself, and cease to be a mystery to yourself. Only by going to 'the still point inside' can you see life as it really is.
