Morgan Dane's new client has blood on her hands - and no recollection of what happened - as the #1 Amazon Charts bestselling series continues. Haley Powell wakes up covered in blood, with no memory of the night before. When she sees a man lying in the backyard, stabbed to death, she has only one terrified thought: What have I done? Agreeing to take the case as a favor to her PI friend Lincoln Sharp, Morgan must scale a mountain of damning circumstantial and forensic evidence to prove her client innocent. Haley couldn't appear more guilty: her bloodstained fingerprints are on the murder weapon, and she has no alibi. But Morgan can't shake the feeling that this shocked young woman has been framed. Someone out there is hell-bent on sabotaging her defense, targeting Morgan, her partner, and especially Haley. Someone who will stop at nothing - and whose next move will be deadly.
