****Novella**** Living the fast life, partying, and having more girls than you know what to do with is every guy's dream. That dream was actually a reality for 18-year-old Justin Salar the youngest of the infamous Salar brother's. Justin has it all, fast cars, money, girls, and was living life in the fast lane. When Justin catches the eye of 26-year-old Samantha Grey, he didn't give it a second thought when the opportunity presented itself to pursue her. Love them for one night and leave them has always been his motto. But, will one night of passion with Samantha have Justin rethinking going with his move? Or will he find himself falling hard for the sultry beauty? Samantha is a bored housewife who is tired of her day to day mommy as well as wifely duties. At the advice of her friends, she decides to get a mommy makeup over to spice up her life. However, when she finds herself smitten with the handsome bearded Justin, her life gets spicy. Feeling herself and this "new do" Samantha decided to live on the wild side and have a wild night of passion with Justin. But, will that one night cost her more than she's bargained for? Or will it be everything she had been missing? Strap in tight, have your cold shower on standby and get ready to take an explosive ride with Justin and Samatha as they battle through sex, lies, secrets, and infidelity. This twisted erotica will leave you hot, and bothered as well as thoroughly entertained. Will Justin and Samantha be a match made in heaven? Or will One Night Only be all they are both willing to give?
