

**CONTINUE ►**

Lucy is at the end of her rope, and the only thing she knows to do is run away. The only problem is when she gets behind the wheel she has no clue what to do. After an accident wipes out her memory she finds herself saved by someone unexpected. Orlando is just trying to live a quiet life alone and away from the world. Until one day she comes into his life and turns it upside down. He's never lied like this before, but he can't let her slip away. Warning: This Labor Day, get to work flipping pages! It's an over-the-top amnesia romance with all the gooey stuff from Alexa Riley that you adore!
