**CONTINUE ►**

She left me. Married another man and ripped my heart out. Now she's back and begging for my help. No way am I getting involved. Except I already am. Savannah. Her name still makes my head buzz. We were in love, or so I thought. But she broke my heart. I made the army my home and tried to forget her fresh floral scent. Her heart-pounding beauty. The fool who stole her from me. I thought I'd succeeded. Until I got the call. "Jayden, I need your help." What could I say? It's been years since Savannah begged me for anything. Her child is missing. The cops think he's dead. Her husband thinks she's depressed. Crazy. Maybe she is. I won't stop until I find out the truth. The man who stole her son will pay. And just maybe Savannah and I can fix what we used to have.
