Everyone uses a 9 x 13 baking pan. It is the pan most used in kitchens today. You can cook most anything in a 9 x 13 pan. If you are craving breakfast, lunch, dinner or dessert, you will find most any recipe for this pan. Included are recipes for main dishes, lasagnas, enchiladas, cinnamon rolls, casseroles, side dishes, cakes, bars, brownies and desserts. Main dishes are easy to cook in a 9 x 13 baking pan. I love the convenience of baking dinner in the oven. I can do other things or prepare the rest of the meal while dinner is baking. Having fewer pans to clean up is always nice too! Included are my family favorite casseroles using ground beef, pork, turkey and chicken. I have also included a few of our favorite breakfast casseroles. Cakes are one of the easiest desserts to bake in a 9 x 13 pan. You do not have to worry about layers falling or crumbling when frosting. Baking a cake in a 9 x 13 pan makes traveling with a cake much simpler. Included are all types of cakes. Some are homemade from scratch and some include easy to use mixes. Brownies and bars baked in a 9 x 13 baking pan could not be easier to make. They are excellent for holidays, picnics and barbecues. They make several dozen

cookies in a hurry and are easy for kids to take and eat. Easy to make and carry desserts are a must in the summer for my family. We are always going to church functions or barbecues and I am always asked to bring a dessert. Hot and cold desserts are great to make in a 9 x 13 baking pan.
