Pocket Edition of the original Constitution of the United States (with Index), and Declaration of Independence. The National Center for Constitutional Studies has printed a special edition copy of The Constitution of the United States that has been proofed word for word against the original Constitution housed in the Archives in Washington, D.C. It is identical in spelling, capitalization and punctuation. This 52-page pocket sized booklet contains The Constitution of the United States (including The Bill of Rights and Amendments 11-27) and The Declaration of Independence. On the front cover there is a picture of George Washington holding a quill in his hand, inviting each of us to pledge our commitment to The Constitution of the United States by maintaining and promoting its standard of liberty for ourselves and our posterity.
