Updated and revised for a new generation, David Bach's classic money guide teaches women how to build stable financial wealth that lasts. With hundreds of thousands of copies in print around the world, *Smart Women Finish Rich*, by renowned financial adviser David Bach, has shown women of all ages and backgrounds how to take control of their financial future and finish rich. Whether you're working with a few dollars a week or a significant inheritance, Bach's nine-step program gives you tools for spending wisely, establishing security, and aligning money with your values. Plus, in this revised and updated edition, David Bach includes critical new long-term investment advice, information on teaching your kids about money, Internet resources, and new ways to attract greater wealth--personal and financial--into your life.
