World Radio TV Handbook is the world's most accurate and comprehensive directory of global broadcasting. It contains full details by country of radio broadcasts and broadcasters on AM (LW, MW and SW) and FM, and details of national TV. The Features section for this 72nd edition includes articles on an Antipodean Journey, the problems of Receiving Noise from electrical interference, a visit to Radio Romania International, the setting up of A New Voice of Hope in Israel, and a history of Radio Voices from the South Seas in the Solomon Islands. There are also reviews of the latest equipment, and other articles, information and maps. The remaining pages are full of information on National and International broadcasts and broadcasters, Clandestine and other target broadcasters, MW and SW frequency listings, and an extensive Reference section.
