

[Free PDF File] Top 5 Strategies and Tactics for Winning Tennis: Move Away from Confusion, Embrace Your Style, and Win those Matches Your Previously Lost

CONTINUE ►

Do you sometimes feel like you are playing the wrong game for you? Do you switch strategies often in a match? Or you are just trying to keep the ball in? This book solves that problem, and helps you to know the five best ways to win. Using this book, you will discover how to prioritize your A, B, and maybe your C strategies, keeping them organized. Also, you can find the print version of this book, and when you purchase that it comes with two other books inside! If you purchased this book prior to November 28th, 2014, please contact me for the updated version. This book provides a foundational strategic template for players to identify their best strategies and to branch out to become complete players. A logical progression of development is examined, discussed and debated. This book can be a great conversation starter for players, coaches, and parents who seek to the best possible strategic fit for the physical, mental and emotional attributes of the player.
