In his best-selling YA memoir *Tweak: Growing Up on Methamphetamines*, Nic Sheff shared a heartbreakingly honest account of his days as a teenage crystal meth and heroin addict. At the end of *Tweak*, listeners left Nic checking in to a rehab facility in Arizona. *We All Fall Down* is about what happened next... In this powerful and immensely engaging follow-up to his first memoir, Sheff picks up where he left off and reveals his first-person account of stints at in-patient rehabilitation facilities, devastating relapses with alcohol and marijuana, and hard-won realizations about what it means to be a young adult living with addiction. In *We All Fall Down*, Nic voices a truth that many addicts understand: not every treatment works for every addict. By candidly revealing his own failures and small personal triumphs, he inspires young people to maintain hope and to remember that they are not alone in their battles.
