Anger can get the best of many women, but when anger erupts into rage and leads to shouting, fighting, and name-calling, it's time to look within and make a change. *The Death of the Angry Black Woman* boldly acknowledges stereotypes faced by women in the black community and uncovers the seeds that lead many to live anger-filled lives. Instilled with Biblical scripture and jaw-dropping honesty, this debut book from Pastor Jameliah Young-Mitchell, the voice behind the popular Car Chronicles Movement, will empower you to bury your anger, reject false labels, and embrace the new you.
