

**CONTINUE ►**

Living with Art fosters each students unique path to appreciation through immersion in the vocabulary of art (for understanding) and through guided tools to talk about art (for analysis). Its targeted learning resources bring art to life within a personalized learning path that visually engages students in course skills and concepts. In doing so, Living with Art provides the foundation for a life-long appreciation of art, as well as critical thinking skills that will benefit students far beyond the classroom, into their chosen careers.
