The start of Quentin and Simone's relationship was a rocky one. Just when Simone thought she had found the one, Q cheated on her, making her regret ever giving him the time of day. But fate intervenes, and Quentin forces his way back into Simone's life, refusing to let go of the only girl he's ever loved. Luckily for Quentin, Simone's love is unwavering and she decides to give them another try. Unfortunately, tragedy rears its ugly head and Simone is caught in the crossfire of a feud that has absolutely nothing to do with her. While away on business, Q gets called home because of an emergency. Unbeknownst to Quentin, that emergency ends up being the raping of Simone. Seeing red and full of rage, Q is out to wreak havoc on the man responsible, and with his queen by his side of course. Not only does Q have problems back home, but there is a war brewing out of state as well. When word gets out that Quentin is the one stealing the clientele of various connects throughout the country, a war is initiated and Q is determined to come out on top. War is brewing and the FEDS are lurking too, making Quentin's rise to the top harder than ever. Question is, how far is Q willing to go in order to solidify his spot on top?
