"A MASTERPIECE ON DREAMS...This book is a singular resource.... If it inspires you to remember your dreams, this book will change your life. If it inspires you to act on your dreams, this book will change the world."--Henry Reed Author of *Getting Help from Your Dreams* and *Dream Solutions*In this brilliantly researched and thorough study, internationally recognized dream authority Robert L. Van de Castle examines the vital role that dreams have played throughout history, from the dreams of ancient Sumerian kings to the pioneering dream research of nineteenth-century psychologists. *Our Dreaming Mind* delves into the most provocative experiments that scientists are conducting on the dreaming mind in this century and surveys ongoing dream experiments: dreams and sexual arousal, the impact of pregnancy on dreams, the connection between dreams and creativity, and the possibility of paranormal dreams.
