**CONTINUE ►**

I've lost my goddamn mind.I slept with my best friend's brother.This has to stop. Now. Except I'm hooked.I wanted a fresh start for college. New town, new people. Right?My new best friend made me part of her family. I've never felt so welcome.Then I met Logan. Her brother.Playboy reputation. Star player. Gorgeous everything.His sky blue eyes locked on mine and shot a love-struck bullet right into me.I was so totally screwed.If my best friend finds out, I'll be on her naughty list for good.So she can't find out.Except now I'm pregnant. Time to run.I never thought I'd see Logan again,But there he is on the city street.I know I should tell him the truth, but I just can't.It's too late for us. We missed our chance. Do we really deserve a second one?The Risk is 2 Story Compilation comprising of Part 1: A Best Friend's Brother Romance andPart 2: A Brother's Best Friend Romance
