Ruthless mafia is a force like you have never seen. The Ruth family has taken Chicago by storm and has no will to ever look back. Using the phrase, 'If I ain't got it, I'm gon' get it' as their slogan, this family stops at nothing to get what they want. Ruger is a cop by day and a hustla by night. Being in law enforcement always helped the family come out on top. At some point, being a double agent will put him in the crossfire, and his loyalty will be tested. Taker is the brother who always did what he wanted and didn't care about the consequences, even when it came down to women. He has always gotten what he wanted and moved around until he allowed a woman to get in his head. His newfound love comes with a price, and it may be too much for Taker to pay. Litty is the baby sister of the crew. Turning up is all that matters to her, and her drinking is causing her to be a liability. With a new love interest and the family turning away from her, Litty makes a decision that may bring the entire family to its knees. Everyone has secrets, but what happens when things you keep inside come to light and destroy everything that you have built? Love, lies, and betrayal are told in many ways, but you have never seen it told the ruthless way. Find out how one crime family is shaken to the core and see who comes out on top.
