A lot has changed in the 7 years since I saw Ava...Yes, I'm still the only son to billionaire parents.And yes, I'm a doctor now who seems to have women blog about my looks every time I do a TV interview. But Ava's despair runs deep.Her arrogant, abusive fiance makes me sick.He belittles her and won't let her speak her own mind.Heck, even her mother has turned her into a lifeless doll.Forget them. Underneath her fragile exterior, I can see she has so much more to offer.Ava and I belong together.I knew it then and I know it now. I'm the only one that can rescue her from this mess.I'll stop at nothing to protect my family and our baby. But how can I heal Ava's deepest scar if I'm the one who left it?
