National Geographic's Executive reference map of the United States features all 50 States with insets for Alaska and Hawaii in antique-executive cartographic style. Each state is colored to clearly define borders and shaded relief accentuates geographical features. All major cities, transportation routes, state boundaries, National Parks, lakes and rivers, and mountain ranges are clearly displayed and labeled. Poster sized maps make a perfect addition to any sized space. They are specially designed to maximize content in a smaller footprint than standard wall maps and fit precisely into precut poster sized frames which makes finishing and hanging them a breeze. The map is packaged in a two inch diameter clear plastic tube. The tube has a decorative label showing a thumbnail of the map with dimensions and other pertinent information. Map Scale = 1:5,410,000 Sheet Size = 36" x 24"
