Sometimes a mail order bride needs to be saved... and sometimes she has to do the saving. .Everything went wrong for Robert. Alone and desperate, he needed a companion. Someone to fill the dark void in his life.He wasn't searching for love, only friendship. He had no idea he would soon find both.Clara was facing her own desperate struggles.A divorced woman with a secret that made her unwanted by most men.The only way to save herself was to become a mail order bride. .But it wasn't an easy choice, and Robert's not an easy man.He has his own secrets, and he won't share them. But Clara won't give up.Robert might be tough, but she's tougher. .The more Clara learns about him, the more she wants his affection... and his love.But she's not sure Robert's willing to give it. When disaster strikes, Robert and Clara will have to face their fears.But can they overcome them in time to save their relationship, or were they doomed from the start?
