

[GET] Little and Falace's Dental Management of the Medically Compromised Patient, 9e

CONTINUE ►

Learn how to provide dental care to any patient, regardless of existing medical conditions. Little and Falace's Dental Management of the Medically Compromised Patient, 9th Edition, has been thoroughly revised to give you the information you need to assess common problems, and make safe and healthy dental management decisions. The new addition includes expanded coverage of women's health issues and introduces a process for developing a medical-risk source. Also, each chapter features vivid illustrations and well-organized tables to give you in-depth details and overall summaries to help you get to the root of your future patients' needs.
