

[Free PDF File] The Road

**CONTINUE ►**

The Road has been hailed by critics as a masterpiece. The novel paints a bleak vision of a post-apocalyptic America: a land where no hope remains. A man and his son walk alone towards the coast, and this is the moving story of their journey. The Road is an unflinching exploration of human behavior--from ultimate destructiveness to extreme tenderness. Winner of the Pulitzer Prize for Fiction Oprah Book Club pick
