A mysterious locket with a note leads Miss Sarah Weston to London to discover her true identity and the love of a lifetime! Miss Sarah Weston has never known her real family. At the tender age of four years, she was placed in a home with Mr. and Mrs. Stanton. Although the childless couple treated her well, Sarah never felt like she truly belonged. One night, Sarah finds a mysterious locket and note in her bedroom. The note urges Sarah to go to London to discover her family secrets. Upon arriving in London, Sarah learns that she is the recipient of a great fortune. She also discovers that she must face an immense threat that she never knew existed. The Earl of Thorndyke offers his assistance, and Sarah soon learns that the earl knows more than anyone about Sarah's past. Is the earl truly trying to help her, or is he just after her wealth? If you love clean and wholesome, Regency romances with a strong woman heroine and an inspirational romantic story, you will love An Earls Love.
