CONTINUE ►

19th Century Card Photos Kwikguide 19th Century Card Photos KwikGuide presents an easy-to-follow set of clues that guides genealogist, historians, and other researchers through the task of dating their card photographs from the 1800s. With over 200 high quality documented photographs included as examples for every clue, the researcher can accurately and with confidence determine most photograph dates to within two to six years. This book illustrates photographic technology changes that occurred frequently throughout the 19th century. These changes have been verified, tracked, and dated, providing a timeline of identifiable characteristics. Traditional review of style and fashion are also incl...
