Learn how a simple app can organize your life and help you start getting things done. Are you struggling with being organized? Do you have too much to do? Tired of forgetting important ideas or reminders? The truth is we're surrounded by so much "noise" (ideas, TV, social media, and advertising) that it's hard to slow down and keep track of the truly important things. One way to fix this problem? The Evernote app. Evernote: the solution to "life clutter". Once upon a time, you needed a complex filing cabinet system and great organizational skills to keep up with all your "life clutter". And often, you had to maintain a series of notebooks to remember important facts, thoughts, and random pieces of information. With Evernote, those days are now in the past. What you get with this tool is the perfect idea capture mechanism and a place to store every important thought, document, or future plan. You'll learn how to do all these things in the audiobook Master Evernote: The Unofficial Guide to Organizing Your Life with Evernote. In this audiobook, you'll discover how to make Evernote an essential part of your everyday life. Not only will you learn the basics of this tool, you'll also get a framework to develop the "Evernote Habit" for organizing your daily activities. Not only will you learn the basics, you'll also discover a wide range of advanced tools and tactics. Plus you'll get 75 ideas for getting started with Evernote. You will learn:
