CQ Products-Cast Iron Cooking. No matter where you cook cast iron can do it all. Rediscover what our grandparents always knew: cast iron cookware produces mouth-watering food that practically slides out of the pan. Cast iron skillets Dutch ovens and griddles are so durable they can be passed down through generations of cooks. Versatile enough to go from stovetop to oven cast iron works equally well on grills and over campfires-- and clean-up is a breeze. The recipes in this book each include instructions for both indoor (oven or stovetop) and outdoor (grill or campfire) cooking methods. Now you can expect great results no matter where--or how-- you're cooking. Bake simmer or roast your way to delicious breakfasts main dishes sides breads and desserts inside or out. Softcover spiral-bound 128 pages. Published 2012. Made in USA.
