**CONTINUE ►**

Age Level: 8-12 Kids who love video games will love this first installment of the new 5-book series about 12-year old Jesse Rigsby and his wild adventures inside different video games. Jesse Rigsby hates video games - and for good reason. You see, a video game character is trying to kill him. After getting sucked in the new game Full Blast with his friend Eric, Jesse starts to see the appeal of vaporizing man-size praying mantis while cruising around by jet pack. But pretty soon, a mysterious figure begins following Eric and Jesse, and they discover they can't leave the game. If they don't figure out what's going on fast, they'll be trapped for good! Fun, relevant, and action-packed Trapped in a Video Game is the perfect book to get kids off screens and into books! Included in this edition is a bonus More to Explore section that teaches computer programming concepts through a fun game.
