

## [GET] Survive Like a Spy: Real CIA Operatives Reveal How They Stay Safe in a Dangerous World and How You Can Too

**CONTINUE ►**

Follow-up to the New York Times bestseller *Spy Secrets That Can Save Your Life*--revealing high-stakes techniques and survival secrets from real intelligence officers in life-or-death situations around the world. Everyone loves a good spy story, but most of the ones we hear are fictional. That's because the most dangerous and important spycraft is done in secret, often hidden in plain sight. In this powerful new book, bestselling author and former CIA officer Jason Hanson takes the reader deep inside the world of espionage, revealing true stories and expert tactics from real agents engaged in life-threatening missions around the world. With breathtaking accounts of spy missions in Eastern Europe, the Middle East, Asia, and elsewhere, the book reveals how to:

- \* Achieve mental sharpness to be ready for anything
- \* Escape if taken hostage
- \* Set up a perfect safe site
- \* Assume a fake identity
- \* Master the "Weapons of Mass Influence" to recruit others, build rapport, and make allies when you need them most

With real-life spy drama that reads like a novel paired with expert practical techniques, *Survive Like a Spy* will keep you on the edge of your seat and help you stay safe when you need it most.
