Do you have a craving for cop romance? A desire for drama? A longing for love? Then you're in the right place. This series will take you through the many ups and downs of five couples as they find their happily ever after through courtroom trials, cop life tribulations and many detective darksides. Here, you'll find young men who just haven't quite managed to make it work with anybody else. You'll discover their loves and losses, and their secret fantasies. This mpreg series set contains five stand-alone books, each shining the spotlight on a different pair of heroes. Follow them as they find their happily ever after. 18 years and older, please. These books contain steamy scenes meant only for adults.
