He thinks he's too big for me. I like a challenge. On my 25th birthday, I received a letter. My mother had left me a piece of land in her will-- the farm I grew up on as a child. Her last request was that I restore it... and how could I say no? So I returned to my little town full of big memories. Nothing has changed here. Except for Grant Werther. When we were kids, I barely saw him. Now I can't miss him. The guy is HUGE; all muscle and beard, like some hardened mountain man. He's intimidating... and definitely sexy, in an alpha-male-cowboy kind of way. Turns out his dad owns part of my farm and he's got the papers to prove it. That means I can't do anything without Grant's approval. On top of that, this jerk says I'm too "city girl" to be here. And the way he openly stares at my ass in my cut-off jeans makes it clear what he thinks I'd be good at. He's the biggest man I've ever seen and I admit, I'm curious what he's hiding in his boxers. I didn't know he'd catch me peeking. Now he won't stop teasing me. He keeps saying I could never handle him, that he'd break me in two. I know I don't have to prove him wrong... But I want to. This is a standalone FULL LENGTH NOVEL with a HEA and NO cheating! Penny Wylder writes just that-- wild romances. Happily Ever Afters are always better when they're a little dirty, so if you're looking for a page turner that will make you feel naughty in all the right places, jump right in and leave your panties at the door!
