

[GET] I Choose Me: The Art of Being a Phenomenally Successful Woman at Home and at Work

CONTINUE ►

This book is for any woman who wants to live a BIGGER life. It is for you if you are feeling a call to bring your voice to the world, your community, your relationships or your career. The women we admire today got to where they are because they had a vision, they activated their creativity, they up-leveled their skill sets, and they dared to be bold. They are not the exception. I Choose Me includes narration from the author, tools and exercises to support the reader in a holistic approach to living a thriving, powerful and joyous life, and contributions from women who have dared to step out and claim their freedom. Take-Aways from I Choose Me Learn to Create the Life of your Dreams Expand Visibility on the World Stage Establish Health in Relationships Re-learn the Power of Play Create Powerful and Engaged Teams
