If you've ever cringed at the sight of your ten-year-old waltzing through the neighbors front door without an invitation, or struggled to teach your teenager proper netiquette for navigating the complicated world of social networks, you know the importance of teaching kids that manners matter. Sheryl Eberly's bestselling 365 Manners Kids Should Know gives clever and insightful advice for the myriad situations where consideration counts, but is sometimes forgotten. This new edition incorporates tips for every aspect of digital communication into her straight-forward format. Using a smart one-manner-a-day organization, parents, grandparents, and teachers alike can find practical ways to teach essential manners like: - When and where it's appropriate to text - How to write a thank-you note - The proper way to handle an online bully - How to behave at events like birthday parties, weddings, and religious services. Full of role-playing exercises, games, and other activities that adults can do with children, 365 Manners Kids Should Know explains not only what manners to teach, but also how and at what age to present them.
