

# IKs4O [Free PDF File] Gentle Babies: Essential Oils and Natural Remedies for Pregnancy, Childbirth, Infants and Young Children

**CONTINUE ►**

Combining two decades of professional knowledge with tried-and-true techniques and first-hand testimonials, the author has compiled this insightful and easy to follow guide benefiting both experienced and first-time mothers. In addition, the book contains an introduction to Young Living therapeutic-grade essential oils and applications and provides safety information and a section on discerning the quality of essential oils. Every family taking proactive steps to better health should have this resource in their home library. "This is the first and only book we recommend specifically for mothers and expectant women. Every family needs this book." - Dr. David and Lee Stewart, authors of Safe Alternatives in Childbirth, Five Standards for Safe Childbearing, Healing Oils of the Bible and The Chemistry of Essential Oils Made Simple. "I recommend this book to everyone I know, especially those proactively supporting the health of their children and grandchildren. It is my hope that every household will own this book and every child may benefit from the information on the use of therapeutic-grade essential oils." - Jamie Hyatt, R.N., F.C.C.I., B.C.R.S., L.S.H. TABLE OF CONTENTS: Acknowledgements Important Information Foreword Introduction: Precautions, When to Seek Medical Attention, What are Essential Oils?, How to Use Essential Oils Loss of Pregnancy Balance Guide Nutrition Guide Birth Kits Dr. Mom's Wellness Chest Testimonies About the Author Reference and Resource List Resource Guide Order Young Living Products Index Notes DISCLAIMER: "We cannot guarantee the availability of this ebook on an external site."
