Bill W., the co-founder of Alcoholics Anonymous, first penned these essays on A.A.'s Twelve Steps and Twelve Traditions for publication in the Grapevine, the Fellowships monthly magazine. The Twelve Steps focus on the program of recovery from alcoholism, and the Twelve Traditions deal with issues that affect the unity of the A.A. group and the worldwide Fellowship as a whole. This book clarifies each of the suggested Twelve Steps that constitute the A.A. way of life and each of the Traditions that deal with how groups function to carry the message of recovery of alcoholism to the still-suffering alcoholic. Originally published in 1952, this classic book is used by A.A. members and groups around the world. This is the only A.A.W.S.-authorized e-book version of Twelve Steps and Twelve Traditions.
