I always knew I was different. I'd thought it had to be hidden - to stay a secret. I didn't know my secret would become the key to my survival. Turning eighteen and getting accepted into college brings me everything I need to escape from the nightmares of my past but I never could have imagined my nightmares - and dreams - were just beginning. Finding myself thrown into a world of fantasy, politics, friendships, and rules that are nearly impossible to understand, I feel like I'm drowning in a world of shifters I never knew existed. As I struggle to find my place and prevent my nightmares from tearing me apart, I find myself surrounded by an unusual group of sexy men. With Hiro, Killian, Theo, Damien, and Ryder I'm trying to become the woman I've always wanted to be, if my past, and my future, will let me.*Warning this book contains scenes and references of abuse that some readers may find triggering. This book also contains some m/m themes.*
