He's a Wall Street wolf. She's been hired to tame him. From New York Times bestselling author Lauren Layne comes a wildly sexy novel of business and pleasure. Twenty-eight and filthy rich, Matt Cannon is the youngest broker on Wall Street. He may be a "boy wonder," but he's every inch a man. Ask any woman—any night. But when Matt's latest fling makes scandalous headlines, his clients get anxious, and his bosses at Wolfe Investments level an ultimatum: keep his assets zipped, get a "real" girlfriend, and clean up his act. Only one woman can help Matt with something this hard. For PR genius Sabrina Cross, the best fixer in Manhattan, playing Matt's steady is going to be a challenge, even if it's just for show. They already have an explosive history, she can't stand the cocky party boy, and worse—she can't stop thinking about him. So who'll dare to break her "no touching" rule first? Because when that happens, Matt and Sabrina's game of let's pretend will get so hot it could set both their reputations on fire.
