A tribute to Bob Ross-the soft-spoken artist known for painting happy clouds, mountains, and trees-Happy Little Accidents culls his most wise and witty words into one delightful package. Ross has captivated us for years with the magic that takes place on his canvas in twenty-six television minutes-all while dispensing little branches of wisdom. His style and encouraging words are a form of therapy for the weary, but with Bob it is always about more than painting. There is a hidden depth within his easy chatter, another layer to everything he says. When he talks about painting, he's using it as a metaphor for life! Happy Little Accidents: The Wit and Wisdom of Bob Ross opens with an introduction and brief biography of Ross, followed by a collection of Ross's greatest quotes and most majestic works of art. Relax. Unwind. Be inspired.
