I tattooed my name on her, she belongs to me. Im wallowing in my PTSD and toasting my army buddies who didnt make it home when I notice this insanely hot chick all alone in the bar. Before long shes wrapped in my arms back at my studio. She only sees me as a bit of rough for the night but after one taste I want more. I doubt shell remember me in the morning so I tattoo my name on her a\$\$\$. Cybil takes off without giving me her number but Ill find her. Shes mine now. She is claimed. Whether she wants to be or not. \*\*\*no cliffhangers, no cheating, and guaranteed happily-ever-afters.\*\*\*
