NEW YORK TIMES BESTSELLER Driving, wild and hilarious (The Washington Post), here is the incredible memoir of the actor, gambler, raconteur, and Saturday Night Live veteran. Don't miss Norm's new Netflix special, *Hitlers Dog, Gossip & Treachery*! When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre one step below instruction manuals. Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, Call it anything you damn like. Praise for *Based on a True Story*: Dostoyevsky by way of 30 Rockefeller Center . . . the best new book I've read this year or last. The Wall Street Journal This book is absurd fiction. . . . Scathing and funny. The New York Times Hilarious and filled with turns of phrase and hidden beauty like only a collection of Norm Macdonald stories could be. Esquire Raucous . . . a hilarious, innovative work. A.V. Club Part personal history and part meta riff on celebrity memoirs, the book, it quickly becomes clear, is also just partly true (and all hilarious). Vulture Very, very, very funny! Thanks, Norm, for letting me be part of this Booker Prize for literature quality effort. David Letterman Norm is brilliant and thoughtful and there is sensitivity and creative insight in his observations and stories. A lot of comics over the years have been compared to Mark Twain, but I think Norm is the only one who actually matches the guy in terms of his voice and ability. I seriously f**king love Norm Macdonald. Please buy his book. He probably needs the cash. He's really bad with money. Louis C.K., from the foreword Norm is one of my all-time favorites, and this book was such a great read I forgot how lonely I was for a while. Amy Schumer I always thought Norm's stand-up was the funniest thing there was. But this book gives it a run for its money. Adam Sandler Norm is one of the greatest stand-up comics whose ever worked a totally original voice. His sense of the ridiculous and his use of juxtaposition in his writing make him a comics comic. We all love Norm. Roseanne Barr Norm Macdonald makes me laugh my ass off. Who is funnier than Norm Macdonald? Nobody. Judd Apatow Norm Macdonald is more than a triple threat; he's a septuple threat. He is smart, funny, wry, rakish, polite, rakish . . . no, wait. He is polite, insightful, and . . . aaaaah . . . warm. No. He's exciting. Yeah. Exciting! You never know what hell he does. Okay, then make that unpredictable. Add that up. He's amazing. Alec Baldwin Norm is a double threat. His material and timing are both top-notch, which is unheard of. He is one of my favorites, both on- and off-stage. Dave Attell Letterman said it best: There is no one funnier than Norm Macdonald. Rob Schneider
