The bestselling Stolen Bride Series continues in this fun, new spin-off following the children of our original heroes and heroines! Betrothed to a princess until she declares his battle wound has incapacitated him as a man, Sir Niall Oliphant is glad to step aside and let the spoiled royal marry his brother. He's more than content to fade into the background with his injuries and remain a bachelor forever, until he meets the Earl of Sutherland's daughter, a lass more beautiful than any other, a lass who makes him want to stand up and fight again. As daughter of one of the most powerful earls and Highland chieftains in Scotland, Bella Sutherland can marry anyone she wants—but she doesn't want a husband. When she spies an injured warrior at the Yule festival who has been shunned by the Bruce's own daughter, she decides a husband in name only might be her best solution. They both think they're agreeing to a marriage of convenience, but love and fate has other plans...
