

gVQBt [Download] Dental Anatomy (Quick Study Academic)

CONTINUE ►

Loaded with meticulously detailed, beautifully illustrated structures of the human dental anatomy and the surrounding systems that support its function, clearly and concisely labeled for easy identification. Illustrations by award-winning and best-selling medical illustrator Vincent Perez, whose life mission is cataloging the beauty and detail of our complicated body systems for the medical professional, the formative student and the inquisitive layperson. Suggested uses: o Dental Students & Hygienists - handy and incredibly thorough reference that is compact and easily reviewed on a daily basis o Dentists - what any professional office needs for reference while consulting patients, also leave guides in offices to look over while patients wait o Parents - can show kids where their adult teeth are hiding when losing teeth, plus to emphasize the importance of taking care of their mouth and teeth o Patient - use guide to locate sources of pain for reporting to your dentist **DISCLAIMER:** "We cannot guarantee the availability of this ebook on an external site."
