CONTINUE ►

An elf gets murdered, gets up and goes for revenge on the thief that killed him. And so it begins: the LitRPG Greenwood Chronicles leads the elf ranger Barcud from a personal quest for revenge to a world-changing war with zombies, bards, clerics and astrologers pitted against each other. Barcud must level up to make sure evil does not triumph and grieve his friends forever. Barcud's quests take him up mountains and into dungeons, making friends and beating enemies while he leads armies and uses poisons to defeat villains in bitter player versus player combat. Set in the Virtual Reality future Massively Multiplayer Online Role Playing Game, 'The Greenwood', The Greenwood Chronicles contains PvP, dungeon delving and dungeon mystery quests, LitRPG zombie apocalypse, real time total war, town building and lots of humor. **WARNING.** Contains some curse words and bad attitudes, but no kittens or NPC dwarves were actually harmed. The Greenwood Chronicles is like Aleron Kong's The Land series meets Terry Pratchett's Discworld series with a strong dose of Dungeons & Dragons and old fashioned PVP, and then them having a child. This is a compendium of five books adding up to over a quarter of a million LitRPG words! The hero Barcud is a ranger who levels up and makes friends, builds towns, leads armies, engages in PVP. Other notable characters are the

psychopathic Harald Runesmith, a crafter of runes. The shifty thief Jimmy the Zit. The wise but occasionally angry vegetarian Druid, Rohan. Black Metal Loving Ajora who transforms into a polar bear for combat. The flamboyant and powerful killer bard Romeo el Mejor. Watch out for his sonnets! The Greenwood Chronicles compendium includes books 1-5 of The Greenwood LitRPG series: Including: DISCLAIMER: "We cannot guarantee the availability of this ebook on an external site."
