Molly is delighted when she is asked to help cater for an undergraduate writing event at a local hotel. With her new recipe of peanut butter fudge, she is excited for the opportunity to spread the word about her new dessert shop. At the event, Molly witnesses a lot of rivalry between the professors, who are all vying for their own students to win, but when the least popular professor drops dead during a reading, a darker side to the competition is revealed. Who killed the professor and what secret was he hiding? Molly and Officer Jeffrey are racing against the clock to find the killer and help solve the case. Book 2 in the Sweet Treat Cozy Mystery series, which can be read in one to two hours! Perfect for a lunchtime read or if you want to enjoy a quick light-hearted read, with a parrot-loving amateur sleuth, set in a seaside town with quirky characters.
