This book not only has illustrations that any child can personally recognize but it also addresses inclusion without boundaries so that anyone can relate to it. Each book comes with 100 stickers so that children can create their very own Scribble. They will be able to learn different emotions (that were discussed in the book) as well as associate colors with feelings in a fun creative way. A little about the book: Scribble, the book's main character, never thought he was different until he met his first drawing. Then, After being left out because he didn't look like everyone else. Scribble teaches the drawings how to accept each other for who they are. Which enables them to create amazing art.
