Laura Hillenbrand, author of the runaway phenomenon *Unbroken*, brilliantly re-creates a universal underdog story in this #1 New York Times bestseller. *Seabiscuit* was one of the most electrifying and popular attractions in sports history and the single biggest newsmaker in the world in 1938, receiving more coverage than FDR, Hitler, or Mussolini. But his success was a surprise to the racing establishment, which had written off the crooked-legged racehorse with the sad tail. Three men changed *Seabiscuit*'s fortunes: Charles Howard was a onetime bicycle repairman who introduced the automobile to the western United States and became an overnight millionaire. When he needed a trainer for his new racehorses, he hired Tom Smith, a mysterious mustang breaker from the Colorado plains. Smith urged Howard to buy *Seabiscuit* for a bargain-basement price, then hired as his jockey Red Pollard, a failed boxer who was blind in one eye, half-crippled, and prone to quoting passages from Ralph Waldo Emerson. Over four years, these unlikely partners survived a phenomenal run of bad fortune, conspiracy, and severe injury to transform *Seabiscuit* from a neurotic, pathologically indolent also-ran into an American sports icon. From the Hardcover edition.
