CONTINUE ►

Ivy is looking to break out of her innocent bubble, so she decides going to an adult club with her bestie is the way to do it. Shes nervous and excited, but nothing could compare to the reality she's confronted with. She's been totally okay with living his quiet life alone. But his best friend thinks its time he changed that. Being dragged into a club wasnt his idea of fun, but one glance at the snowy angel and hes done for. Warning: This book is about grownups doing grown things, so brace yourself! Two virgins walk in... Can you guess how many walk out? One-click to find out!
